

Project Scope: Complete Website Revamp & Strategic Rebranding

Primary Focus: B2B Advisory & B2C Talent Acceleration

Target Audience: Founders, SMEs & Early-Career Professionals

Core Directive: Remove Impact Wing; Positioning for Premium Conversion

1. PROJECT OVERVIEW & STRATEGIC POSITIONING

Goal: Rebrand *Paschalines Consult* as an elite, high-impact business advisory and career acceleration firm.

Key Strategic Shift: Completely remove all "impact wing" references. Focus strictly on two revenue-generating pillars:

- **B2B Advisory & Financial/Business Modeling:** Delivering institutional-grade, fundable assets for startup founders and growing enterprises.
- **B2C Talent & Career Acceleration:** Helping emerging professionals uncover their unique career pathways and build high-converting application assets.

Visual Aesthetics & Tone: Premium, modern, authoritative, and outcome-oriented. Palette centered around Deep Navy (#0F172A), Amber Gold (#D97706), Soft Slate (#F8F AFC), and Crisp White.

2. PAGE-BY-PAGE SITE STRUCTURE & COPY

Page 1: Homepage (/)

Hero Section:

- **Headline:** Strategic Advisory & Career Growth, Built for Execution.
- **Subheadline:** We build bankable business assets for founders and help emerging professionals unlock, position, and monetize their unique career pathways.
- **Primary CTA:** [Book a Strategy Session] (Links to Calendly)
- **Secondary CTA:** [Explore Our Services]

Trust & Credibility Bar:

"20+ Years Business Management Experience | 11+ Years Sales Mastery | Multi-Million Capital Strategy"

Core Service Pillars:

For Founders & Businesses

Transform your vision into fundable, institutional-grade documentation—from 3-statement financial models to winning pitch decks.

View Business Services →

For Emerging Talents

Step confidently into your career with professional positioning, unique pathway discovery, and high-impact resume writing.

View Talent Acceleration →

Final CTA Section:

- **Headline:** Ready to solve your biggest business or career bottleneck?
- **CTA Button:** [\[Schedule Your Call \]](#)

Page 2: Business & Advisory Services (/business-advisory)

Page Header: Institutional-Grade Advisory for Ambitious Founders

SERVICE 01 Pitch Deck Building & Strategic Design

Custom-built investor presentations tailored to VC, angel, and institutional standards. Includes financial narrative mapping, market sizing, competitive moat articulation, and graphic presentation design.

SERVICE 02 Pitch Deck Review & Readiness Audit

Rigorous line-by-line feedback on your existing deck. Covers strategic storytelling, visual design polish, valuation presentation, and a 45-minute live review session.

SERVICE 03 3-Statement Financial Modeling & Valuation

Dynamic, audit-ready financial models built for real-world execution and fundraising. Fully integrated income statements, balance sheets, cash flow projections, cap tables, and valuation roadmaps.

SERVICE 04 Comprehensive Business Plans & Investor Teasers

Detailed, data-driven business plans for commercial banks, grant boards, or equity investors. Covers unit economics, market research, and operational execution roadmaps.

SERVICE 05 Grant Application Writing & Proposal Management

High-converting proposals designed for non-profits, SMEs, and social enterprise funds. Complete with opportunity matching, narrative formulation, budget alignment, and submission support.

SERVICE 06 Strategic Corporate Copywriting

High-converting messaging for website landing pages, corporate profiles, sales collateral, and investor communications.

Page 3: Talent Acceleration & Career Pathways (/talent-acceleration)

Page Header: Find Your Unique Advantage. Own Your Career Path.

PROGRAM 01 Pathway Discovery & Career Mentorship

Guided sessions helping early-career talent identify unique strengths, market positioning, and career trajectories. Includes 1-on-1 discovery calls, skill-gap analysis, and a 90-day execution roadmap.

PROGRAM 02 Executive & Professional CV Engineering

ATS-optimized, outcome-focused resume re-engineering that highlights measurable business impact rather than basic job descriptions.

PROGRAM 03 LinkedIn Profile Optimization & Personal Branding

Transforming static digital profiles into active inbound opportunity magnets for recruiters and partners.

PROGRAM 04 Cover Letter & High-Stakes Application Copywriting

Tailored, persuasive narratives for competitive job applications, fellowship submissions, and career advancement programs.

Page 4: About Us (/about)

Firm Mission: To bridge high-level corporate advisory with personalized talent development, providing executable solutions that solve complex bottlenecks.

Founder Leadership: Highlighting over two decades of general management expertise, extensive sales experience, and deep financial modeling mastery to establish immediate market authority.

Core Values:

- **Precision:** Data-backed, institutional-quality deliverables.
- **Clarity:** Cutting through noise to solve real-world problems.
- **Empowerment:** Equipping businesses and talents for long-term sustainability.

Page 5: Contact & Booking Integration (/contact)

Required Features:

- **Embedded Calendly Widget:** Seamless booking flow directly on page.
- **Interactive Contact Form:** Fields for Name, Email, Service Selection Dropdown (Business Advisory vs. Talent Acceleration), Project Details, and Budget Range.
- **Direct Information:** Official support email and operating schedules.

3. PREMIUM TECHNICAL ADDITIONS & DESIGNER SPECIFICATIONS

- **Interactive Readiness Quiz / Lead Magnet:** A short quiz (e.g., *"Is Your Pitch Deck Investor-Ready?"*) that collects user emails in exchange for an instant evaluation score.
- **Dynamic Client Intake Forms:** Integrated pre-session questionnaires that allow clients to upload current CVs, draft pitch decks, or financial notes prior to the scheduled consultation.
- **Sticky Navigation Header:** A persistent header featuring a prominent **"Book Session"** call-to-action button visible at all scroll positions.
- **Downloadable Sample Showcase:** A gallery of clean, anonymized sample outputs (e.g., sample pitch deck slides, model dashboards, before/after CV transformations) to build instant trust.
- **Integrated Payment Gateway:** Stripe / Paystack integration connected directly to Calendly to allow pre-paid strategy bookings.
